To Yuzuru.

Mom is still suspicious of us.
I think it'll be a bit hard to meet up or call each other for a while
I think it would be better if we don't text each other too much either because they stay on your phone.
If we going to be like this for a while, we should decide on a code. The curry emoticon could mean 'good morning' and the apple one could be 'I love you'
huff
AI

Anyway...I will be alright. No need to worry. I'll mail you later.
